## COLLECTIVE IMPACT

"I created Mr. Eco when I was a junior in college, and it has been 10 years since I graduated from Cal Poly San Luis Obispo. It is truly special to look back at how much The EcoHero Show has grown since our first sponsor (shout out to Colton 2016!). This year we had 12 (yes, 12!!) different performers reaching students up and down California. NONE of this would be possible without you trusting and believing in us to represent your jurisdiction. We are truly honored to serve you all."

*Love, Brett "Mr. Eco" Edwards  
and The EcoHero Team!*

## LOOKING TO NEXT YEAR

Did you know we have 1383 organic-themed shows? Mr. Eco created an entire album focusing on how to not waste food and we LOVE performing those shows. We are happy to perform 100% 1383 themed shows for your jurisdiction or a mix of different content based on your budgets. Thank you all for changing the world with us! Deuces!!
